we've got you covered.

## Sometimes as you get older, you might find that you need just a little more support day to day.

Maybe you need a hand with the shopping, running errands or domestic help around the home. We're here to help. Our job is to ensure things are easier and more manageable for you.

So why VMCH? We're fully accredited and we're known for our high standards across everything that we do. Most importantly, we tailor services according to exactly what you need.

### When might I need VMCH?

- You prefer to pay for your services privately and/or it is more economical for you to do so
- Your usual carer is away and you need some support at home
- You need to 'top up' your government funded services.
