Welcome to Corpus Christi Community, Greenvale

Welcome to Corpus Christi Community Greenvale (CCCG), a compassionate and nurturing aged care community.

Located 25 kilometres north of Melbourne's CBD, embrace nature while staying close to public transport, shops, and essential services. Surrounded by expansive gardens, the home comprises 90 beds and includes a library, gym, kitchen and lounge areas, a recreation centre with internet access, a theatrette and a chapel.

CCCG provides unwavering support for marginalised older men with histories of homelessness, addiction or complex health needs. We offer more than just a place to reside; we provide an opportunity for a fresh start in a safe and supportive environment.

Our dedicated team collaborates with residents to celebrate their intrinsic value and contributions, ensuring all are embraced for their unique qualities.

Our history

Founded in 1974 by Mother Teresa and her Missionaries of Charity, Corpus Christi Community Greenvale was established as a refuge for men facing personal hardships.

In 1977, the Missionaries of Charity entrusted the care of Corpus Christi Community Greenvale to the Archdiocese of Melbourne. The Australian Jesuits, in collaboration with the Sisters of Mercy, were invited by Church leaders to manage the residence. These dedicated priests and nuns, along with volunteers, lived alongside and provided unwavering support to the residents.

Your home, our support

With the principles of person-centred care underpinning all that we do, our aim is to provide exceptional assistance and support, ensuring that residents are treated with utmost dignity and respect.

- Experienced nursing and support staff to oversee resident care and wellness
- Nutritionally balanced meals to promote health and vitality
- Alcohol support program for residents seeking assistance to cease or minimise alcohol consumption
- Onsite medical clinic where you can access a range of medical specialists including doctors, psychologists, physiotherapists, podiatrists and counsellors
- Spiritual guidance and pastoral care if you seek support, guidance and confidential companionship.

Lifestyle and recreation

Our lifestyle and activities are designed to foster connections with staff, volunteers and fellow residents. Enjoy a range of activities including gardening, games, bingo, dancing, arts and crafts and in-house movies. We also offer regular excursions to interesting locations across Melbourne and Victoria.

Beyond recreation, we provide opportunities for residents to contribute their skills to local charities and community groups, plus lending a hand with various duties within CCCG.
