

Great places to call home

Specialist Disability Accommodation (SDA)

Moving out to live independently is a big decision, as is finding a new place to live

Our team take the time to match people who have similar interests to create a happy household, and make sure the transition to your new home is as smooth as possible.

We have some great options for people with disability to get together with friends and make a new home for themselves, with our support.

We also have rooms available for people who would like to join an established household.

All you need is NDIS SDA and SIL funding. If you don't have this in your plan, please let us know and we can help.

Our current vacancies include*

- Bulleen
- Cheltenham
- Croydon
- Heidelberg Heights
- Lysterfield
